MAIL / DMS

Dear Public Service Commission,

Duke should quit investing in dirty, old energy like coal and nuclear, and actually invest in the cheaper renewable technologies its executives claim to support. I want the Carolinas to be more energy efficient and powered by local wind & solar that will employ thousands of Carolinians.

Sincerely,

mye Figueroa Wilson  
2045 W Windgate Ct  
Jacksonville, NC 28546-6935
